VISION

Fellowship for transformation
through caring.

MISSION

We are a Christ centred community of holistic caregivers focusing on poor and marginalized and engaging each other in the journey of restoration to fullness of life.

CORE VALUES

- Ethical practice: We adhere to ethical practice in all areas. We do not bribe, coerce or manipulate.
- Integrity: We insist on a life of integrity.
- Compassion: We treat everyone with empathy, care and politeness.
- Faithful Stewards: We believe that all that we have is God given and therefore we are accountable for all that we have and do.
- Inclusive: We believe that all human beings are made in the image of God and there is place for everyone.
- Teamwork: We work as a team in our diversity and are interdependent.
- Excellence: We strive for excellence by doing everything as unto the Lord.
