

# New In-Patient Facility

## Herbertpur Christian Hospital

Herbertpur, Uttarakhand  
(A unit of Emmanuel  
Hospital Association)

Photo of Building Construction Progress - December 2018

**At Herbertpur Christian Hospital our vision is to see the transformation of lives through caring. Since 1936 we have served the community with great devotion as a beacon of Christ's love to the region.**

Our original in-patient unit dated back to the founding years of the hospital. Despite numerous renovations it was no longer able to meet the demands of patient care, and in 2016 was decommissioned.

We have been carefully planning and praying for 9 years to replace the In-Patient facilities.

Last year we broke ground on the

ambitious project, and thanks to the amazing support of our friends and supporters the construction has so far been going quickly and smoothly.

The new building, when completed in early 2019, will be able to facilitate an exemplary level of healthcare to all.

Work is well underway for the new building, but we are still seeking support in order to fully equip the new hospital unit.

**Your donation will be matched until 15<sup>th</sup> Feb' 2019, thanks to a generous offer of matched funding up to £100,000.**

Below are details of how you can help. If you qualify for Gift Aid in the United Kingdom, you can give via Herbertpur Trust in the UK and Gift Aid can be claimed.
